EDUCATION

Western Connecticut State University (Danbury, CT)

August 2020 - May 2024

Bachelor of Arts (B.A.) in Digital and Interactive Media Arts, Computer Science Concentration

Graduated with *magna cum laude*; GPA: 3.7/4.0; Dean's List for 4 semesters

PROFESSIONAL EXPERIENCE

Digital Craft Consulting (Remote)

Freelance Web Designer (Contract)

November 2024 - Present

- Design and develop websites for small businesses with the goal of driving traffic by crafting smooth user experiences, providing on-page SEO support, and implementing responsive web design principles
- Deploy an iterative website design process while demonstrating quick learning and proficiency in technologies such as Figma, WordPress, and Elementor
- Engage in creative collaboration on a small web design team to communicate ideas and meet project deadlines

WCSU Career Success Center (Danbury, CT)

WordPress Web Designer & Career Peer Leader (Internship)

March 2023 - May 2024

- Designed and maintained pages for the Career Success Center website using WordPress while implementing user experience (UX) and responsive web design principles
- Provided exceptional customer service to students and alumni seeking career guidance and assistance writing resumes and cover letters
- Eliminated 24% of the site's accessibility issues to help people of all abilities utilize career development services

Parker Dewey (Remote)

Independent Consultant

January 2024 - February 2024

- Completed a Micro-Internship for a Maryland-based startup that sells care packages for children in need by designing a responsive and user-friendly B2C e-commerce website on Wix (littlecarepackages.com)
- Regularly communicated with the client to design a brand identity and satisfy the unique needs of the business
- Provided basic SEO (search engine optimization) support by incorporating keywords into HTML tags
- Utilized Adobe Illustrator and Photoshop for logo design, vector graphic design, and optimizing images for the web

CERTIFICATIONS

Google IT Support Professional Certificate (in progress; completed courses in Technical Support, Networking, and OS)

AWARDS

- Best Digital & Interactive Media Senior Capstone Project at the WCSU Media Arts Film Festival (May 2024)
